MR SEENEY asked the Minister for Health and Minister for Ambulance Services (HON C R DICK)—

Will the Minister give his assurance and commitment to the total refurbishment of the Biloela Hospital and advise when that funding will be made available?

ANSWER:

I thank the Honourable Member for Callide for his question.

As you will be aware, a recent capital investment at Biloela Hospital was completed in July 2014 as part of the Rural and Remote Infrastructure Rectification Works program. This investment of \$7.15 million resulted in an Emergency Department upgrade, relocation of Community and Allied Health Services onto the hospital site, a refurbished Inpatient Unit and other facility improvements. This completes all planned work on this facility.
