Dear Sir

Yet again the newly independent Member for Burnett has let down his electorate and the people of Queensland.

On Thursday night he was the only MP to vote against new legislation to deal with dangerous sex offenders.

In this session he also voted against a decrease in compulsory third party insurance costs and he voted to support the Bligh Labor government's fire-sale of Queensland state assets.

The voters of Burnett can only wonder whose interests their member is representing because he clearly isn't representing theirs.

Yours sincerely
